Registration for 2017-2018

On May 13th, and May 20th, we had over 75% of families renew their registration for next year! Yay! Registration renewals will be accepted this summer through the parish office. **We do request that every family volunteer at least 3 weekends, to help support our parish and to keep our fees low.** For complete information about registration, including how to add a child to your renewal, see our website: <http://groups.vmpwa.org/GiaoLy/registration>

New registrations will be accepted starting Aug. 1-31, 2017, after we determine how much classroom space we have remaining.

Mass (6 PM) & Adoration - Friday, June 2

Cha Thành reserves adoration on the first Friday of each month for the youth! Come join us to be in the presence of Jesus Christ, our Savior!

Congratulations to the Newly Confirmed (May 26th) & First Communion (June 18th)!

Please pray for these young men and women as they begin their faith life as official members of the Catholic Church! Holy Spirit, set their hearts on fire so that they may set the world on fire!

Please pray for the students of Lớp 3 RLLD and RLLD for Teens as they accept Jesus into their bodies for the first time this June! May the Holy Spirit live and grow in their hearts!

Giáo Lý needs YOU!

Our Faith Formation program is unique in that we have a very big group of young adult and youth leaders. Volunteering and serving in leadership roles looks great on a resume and some schools will give you credit, as well for the hours served! At the same time, young professionals and newly married couples are also a great inspiration to our youth.

Emmaus Circle - Summer 2017!

What is Emmaus Circle? We are a group of young friends and adults who desire to grow stronger in speaking about moral and ethical issues that we face, and that the Church faces. We have sessions focusing on various topics, discussing over a good meal while learning about our faith in a relaxed environment.

We had our first series of dinners last year, and we are continuing this program this coming summer! We are currently taking suggestions on which day to host the event!

You can send in your suggestion here:

If you are interested in attending, fill out the online form to be notified of when registration is open!
